I am now going to ask you some questions about your sexual behavior. I will be asking you about behavior with all of your partners and behavior with your primary partner only. By primary partner I mean the person with whom you enrolled in the study, whether or not he/she is still enrolled. Answer the following questions with him/her in mind. We do not have your name on these papers and all your answers will be kept confidential from everyone, including your partner.

There are many different ways people have sex. Some of the questions I am going to ask you are about vaginal sex, and some are about anal sex. By vaginal sex, I mean when a man puts his penis inside a woman's vagina. By anal sex, I mean when a man puts his penis inside someone's anus. By condom, I mean a male or female condom.

- 1. In the last 3 months, how many female sex partners have you had? By sex partner, I mean someone with whom you have had vaginal or anal sex.
2. In the last 3 months, how many male sex partners have you had?
3. In the past week, did you have vaginal sex?
4. In the past week, how many times did you have vaginal sex with your primary partner?
4a. Of those times, how many times was a condom used?
5. In the past week, how many times did you have vaginal sex with someone other than your primary partner?
5a. Of those times, how many times was a condom used?
6. In the past week, did you have anal sex?
7. In the past week, how many times did you have anal sex with your primary partner?
7a. Of those times, how many times was a condom used?
8. In the past week, how many times did you have anal sex with someone other than your primary partner?
8a. Of those times, how many times was a condom used?
9. In the last 3 months, ...
9a. the last time you had anal sex, were you the receptive partner?
9b. the last time you had anal sex, was a condom used?
10. In the last 3 months, the last time you had vaginal sex, was a condom used?
