

IDCRC 20-0024 (Mening-Mali) Offline PTID List
CVD-Mali

Instructions:

- 1) Upon site activation, generate 10 PTIDs in Medidata Rave and record on this log.
- 2) If a participant presents for the Screening visit and internet/power is out, select the next unassigned PTID and complete the "Assigned by" and "Date Assigned" columns and complete a row on the PTID-Name Linkage Log to assign the PTID to the participant.
- 3) When power/internet is restored, generate a new PTID and added to this log to ensure there are always 10 backup PTIDs available.

	Participant ID (PTID)	Assigned by (initials)	Date Assigned (dd-MMM-yy)
