

MEMORANDUM

To: MTN 009 Protocol Team
From: MTN 009 SCHARP Team
RE: MTN 009 Enrollment Report

The Enrollment Report for MTN 009 is updated nightly and is based on cumulative data received at SCHARP through the previous week. It is meant for use by the MTN 009 Protocol Team to monitor study accrual progress. This report only contains sites that have been activated, and includes the following information:

- Summary table showing the number of participants enrolled each week
- Graph showing enrollment for all sites combined
- Graphs showing enrollment for each active site

The date the report was generated and the date used to determine whether or not the data should be included in the report can be found on the top of the report.

Please contact the MTN 009 Project Manager at SCHARP, Karen Patterson (karen@scharp.org), with any questions you may have regarding this report.

Thank you.
