HSV-2 Test Result (HSR-1)

Purpose: To document the participant's HSV-2 test results.

General Information/Instructions: This form is completed once the HSV-2 results are available. Mark the "Not done/Not collected" box in the event that a specimen was collected but no result is available or if the specimen was not collected. Explain in the Comments section why the result is not available.

Item-specific Instructions:

- **Item 1:** Record the HSV-2 optical density ratio as reported by the testing lab.
