

MEMORANDUM

To: MTN 016 Protocol Team
From: MTN 016 SCHARP Team
RE: MTN 016 Enrollment Report

The Enrollment Report for MTN 016 is updated nightly and is based on cumulative data received at SCHARP through the previous week. It is meant for use by the MTN 016 Protocol Team to monitor study accrual progress. This report includes the following information:

- Summary table showing the number of participants enrolled each week
- Graph showing enrollment for all sites combined
- Graphs showing enrollment for each active site

The date the report was generated and the date used to determine whether or not the data should be included in the report can be found on the top of the report.

Please contact the MTN 016 Project Manager at SCHARP, Corey L Miller (corey@scharp.org), with any questions you may have regarding this report.

Thank you.
