<sup>1</sup> This report includes data received and entered at SCHARP through this date.

<sup>2</sup> A visit is considered expected only once the participant's visit window has closed.

<sup>3</sup> A visit is considered completed once the Visit Summary form is received and entered at SCHARP.

<sup>4</sup> Visits are considered expected based on the date the previous visit was completed and have different visit window durations so it is possible for sampling visit windows to close before the visit window of the corresponding dosing visits.
